

**City of Tallahassee & Leon
County - Fire Prevention Division
DAS/BDA E.O.R. Declaration**

Due to the lack of UL listing for certain components used for the design and installation of the In-building communication system, and the lack of UL listing for a Bi-Directional Distributed Antenna System intended for public agency use as a whole;

I, _____ as the Engineer of Record for the system installed at _____ certify that all components used for the design of the system are for their intended purpose and certify all components installed make a complete working system per City of Tallahassee – Leon County Guidelines & Standards, current Florida Fire Prevention Code and the applicable year of NFPA 72, NFPA 1221.
